Attendance:

For more than 25 years, FMEC has held growing meetings in the Northeast U.S. Our recent meetings have exceeded 1,000 attendees, with 100 or more programs participating in our Residency Fair ever. We are excited to be in Atlantic City for the first time ever in our 40+ year history.

FMEC meetings have grown because we offer residents and faculty opportunities to present scholarly work and meet ACGME guidelines. Our 2026 call for submissions saw nearly 330 sessions proposed by over 800 authors, many of whom will attend the meeting to speak.
