

# ***Sign up for the Pennsylvania Maternal Health Collaborative***

***Join over 220  
PAMHC members  
representing  
healthcare,  
behavioral health,  
social services,  
advocacy, government,  
philanthropy  
and more***

***Growing out of the  
2024 Pennsylvania Healthy  
Equity Summit and the desire  
to continue to learn and share  
information, a team convened  
to create the Pennsylvania Maternal  
Health Collaborative (PAMHC). Lead  
organizations include the Family Medicine  
Education Consortium, Pennsylvania  
Department of Health, Office of Health Equity,  
Latino Connection, the Governor's Advisory Commission on Women,  
the Pennsylvania Department of Health, Bureau of Family Health and the  
National Hispanic Medical Association Pennsylvania Chapter.***

***Scan for more info:***

***The PAMHC holds quarterly, virtual meetings featuring presentations and sharing around challenges and strategies facing Pennsylvania providers and families. Meetings are free, and CME credit is offered. Simply completing the online form below means you are a member of the PAMHC and will receive updates and invitations to meetings.***

***Join us for quarterly, virtual meetings!  
Topics have included:***

- Spotlights on programs providing families with financial counseling, legal support, housing, home visits, doula help, and lactation support***
- Clinical strategies such as interconception care and 4th trimester care***
- Updates on the statewide Perinatal Action Collaborative***
- Critical topics such as fatherhood, intimate partner violence, and mental health***

***For more information, including past meeting materials and recordings, and to sign up for PAMHC emails, visit <https://www.fmec.net/pa-maternal-health-collaborative>.***
