

Our MISSION

AFMA is dedicated to the professional growth and development of its members with particular emphasis on administration and coordination of health care delivery, education, and research within family medicine residency programs.

Our VISION

To understand the continuing changes in the health care environment and provide tools to excel in that environment, as it relates to family medicine residency programs.

Testimonial from a member

"Being a member of AFMA has helped me learn and feel confident in my work. I have many helping hands through the list-serv, my mentor, and other program coordinators. I encourage everyone to become involved and utilize the resources this organization has to offer. AFMA has helped me grown my own professional development by stepping out of my comfort zone and presenting not one, but twice at the Residency Program Solutions conference."

VALUES

instilled in our members

Integrity

We can function best if we have earned the respect of our co-workers, residents, faculty, fellow AFMA members, and other professional organizations.

Initiative

We are individually responsible for the organization's success.

Teamwork

We succeed because of the contributions of many people.

Partnership

Through collaboration with family medicine residency programs, related health care organizations and individual membership, we seek to improve the caliber of family medicine.

Quality

We strive continuously to do things better, comparing to and learning from programs locally and nationally to improve quality.

Flexibility

We are willing to look at things differently, and we are not afraid of change.

Courage

We have the confidence to express ourselves honestly and to work to meeting challenges.

Our **OBJECTIVES**

We are here to promote professionalism for our members, provide a forum for resolving job-related concerns, assist members in the effective performance of their duties, provide a network of peer coordinators, and interactive with other organizations and individuals as needed.

TESTIMONIAL FROM A MEMBER

"I have been an AFMA member since 2006. This organization gives its members genuine knowledge people who invest their time to understand the fundamentals and ever changing guidelines in Administration in Family Medicine residencies. The loyalty, compassion and kindness I have experienced with this organization is top notch. The knowledge I have gained from my peers has been highly valuable. I strongly encourage you to join AFMA and be part of our ever changing specialty. Above all, the friendships I have gained are so rewarding in my own morale, loyalty and growth as a Family Medicine Residency Administrator."
