1

Mission

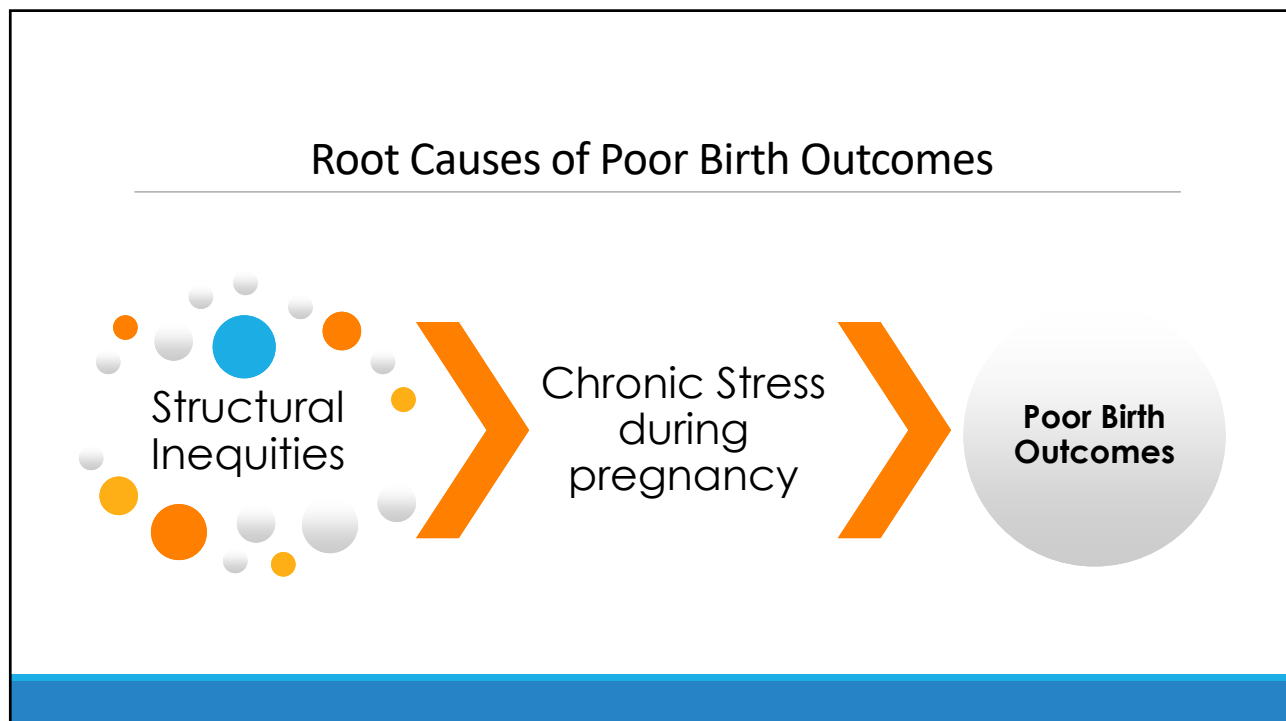

The Foundation for Delaware County is a community foundation with the mission to create a vibrant future for Delaware County by promoting generosity in and for the people of our county, improving the well-being of our residents, and energizing participation and partnership across our communities.

2

3

4

Relationship-based Care

- Home Visiting
- Screening with care
- Help with material resources
- Always consider reasons for withholding information
- Keep the door open for disclosure
- Create space for staff to process
- Specialized support to pregnant/parenting teens

5

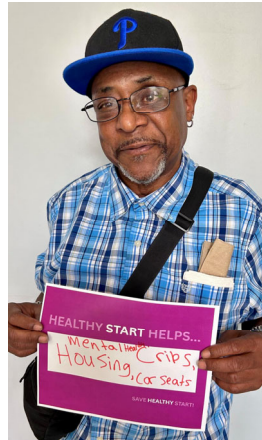

Screening & Referral

- Screenings and subsequent referrals for IPV are benchmarks in both programs
- Always conducted confidentially
- Screenings are repeated
- Resources are offered regardless of screening outcome
- Offer internal and external support
- Warm hand-offs, accompaniment are offered

6

Authentic partnerships & collaboration

- Center voices of parents
- Get to know your partners
- Invite partners for training, outreach, tabling, colocation, interagency meetings and distribution of resource supplies
- Make room for innovation

7

Reproductive Health & IPV – additional considerations

Reproductive Coercion

Impacting Birth Outcome

Birth control sabotage

Physical, Emotional & Economic Abuse
