If you do not see your school in the drop down menu of the form, your school may not be a current partner with the FMEC, but you should still apply.

If you are a medical student (MSI, MSII, MSIII, MSIV) at a US-based school outside of the FMEC's 14 state region, you can pay the student registration rate to attend the meeting.

If you attend AUC, St. George's, St. Matthews's or Ross University, you are eligible for a scholarship because these schools have partnerships with the FMEC.
